

Leaving Homefinders a Legacy in Your Will

Registered Charity No: 1172132

REMEMBERING US IN YOUR WILL

If you are thinking about making a will or updating an existing one, you may wish to consider leaving a legacy to Yarmouth Greyhound Homefinders as a way of showing your affection and love for greyhounds.

As a small independent charity, legacies are exceptionally important to us and when we receive one, irrespective of the amount, it reinforces the importance of the work we do.

Your bequest would help us continue to rehome retired racing greyhounds and find them their forever homes. Something we have been doing since 1999.

We have **rehomed over 2600 dogs**, many of these dogs have been helped by the kind generosity of our wonderful supporters, in their lifetime and after they have passed away.

If you decide to include us when visiting your solicitor or will writer, it is important to **quote our Charity Number 1172132** and give our **full name and postal address** which is shown below. If you wish you can let us know too.

If you would like to discuss anything to do with leaving us a legacy please contact Ian Woodrow who is one of our Trustees on **01493 378178**. He will be pleased to explain to you how we look after the legacies we receive and how the monies are spent.
